

barrier reef pools

New Release Brooklyn Slim Line

A stunning one piece configuration that has been designed with the whole family in mind.

The entry point steps down into a versatile platform that is ideal as a kids play area or water lounge to sit and relax in.

Designed with a spillway the pool and spa can run simultaneously eliminating any additional power costs, alternatively they can be run independently.

The generous swimming area has been designed to be totally un-obstructed, which is ideal for swimming laps and active families.

There is no other pool that can offer all of these features.

With its square lines and designer looks we are sure your whole family will love it.
